小さな数から順に点をつなぎましょう。なまえ

The puzzle shows a cat's face with the following elements already drawn or partially drawn:

- Two green trees on the left side.
- Two black eyes with white pupils.
- Two yellow triangles for ears.
- Two brown curved shapes for whisker bases.
- A brown U-shaped mouth.

The remaining parts of the face are represented by numbered dots (1-69) that need to be connected in order to complete the drawing.
